Yeah!

Got no place to go

I'm tired of walking up and down the street all by myself

No love left for me to give

I try and try but no-one wants me the way I am

Why should I pretend I like

To roam from door to door

Maybe I'll just kill myself

I just don't care no more

Because I'm not satisfied

Everything I tried

I don't like the way

Life has been abusing me

Yeah! Yeah!

Who would care if I was gone?

I never met no-one who'd care if I was dead and gone

Who needs me to care for them?

Nobody needs me, why should I just hang around?

Why should I just sit and watch

While the others smile?

I just wish that someone cared

If I was happy for a while

Because I'm not satisfied

Everything I tried

I don't like the way

Life has been abusing me

Yeah!
