Motherly love

Motherly love

Forget about

The brotherly and other-ly love

Motherly love

Is just the thing for you

You know your Mothers' gonna love ya

Till ya don't know what to do

The Mothers got love

That'll drive ya mad

They're ravin' 'bout the way we do

No need to feel lonely...

No need to feel sad,

If we ever get a hold on you

What you need is...

Motherly love

(Come on get it now)

Motherly love

Forget about

The brotherly and other-ly love

Motherly love

Is just the thing for you

You know your Mothers' gonna love ya

Till ya don't know what to do

Nature's been good

To this here band

Don't ever think we're shy

Send us up some little groupies

And we'll take their hands

And rock 'em till they sweat and cry

What you need is...

Motherly love
(Get it now)
Motherly love
Forget about
The brotherly and other-ly love
Motherly love
Is just the thing for you
You know your Mothers' gonna love ya
Till ya don't know what to do
We can love ya
Till ya have a heart attack
You'd best believe that's true
We'll bite your neck
And scratch your back
Till you don't know what to do
What you need is...

Motherly love
Motherly love
Forget about
The brotherly and other-ly love
Motherly love
Is just the thing for you
You know your Mothers' gonna love ya
Till ya don't know what to do

You know I've got a little Motherly love for you baby
You know I've got a little Motherly love for you honey
You know it doesn't bother me at all
That you're only 18 years old
'Cause I got a little Motherly love for you baby
Pow pow pow pow
