Oh no
I don't believe it
You say that you think you know
The meaning of love
You say love is all we need
You say
With your love you can change
All of the fools
All of the hate
I think you're probably
Out to lunch

Oh no
I don't believe it
You say that you think you know
The meaning of love
Do you really think it can be told?
You say that you really know
I think
You should check it again
How can you say
What you believe
Will be the key to a
World of love?

All your love -
Will it save me?
All your love -

Will it save the world
From what we can't understand
Oh no
I don't believe it
