

## Felecia "All Good"

Visit "[All Good](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(Feat. Krayzie Bone)

[Felicia]

Lately you've been stressin me, that's when I'ma give  
you some  
Callin me, jockin me, sweatin me, gonna rush me none  
Cuz when the time is right I'm gonna let you know and,  
that's for sure  
So wait on me, patiently, and see what I got in store  
I'm gonna represent, to the fullest of it and I promise  
you no regrets  
Just put you trust in me, and baby, I promise this shit is  
legit (Legit,  
Legit, legit)

[Chorus x2: Felicia (Krayzie Bone)]

It's all good (Yup, yup, yup, it's all G-double-O-D, good,  
good, good)  
It's all good (Yup, yup, yup, it's all G-double-O-D, good,  
good, good, with  
Me, with me, with me)

[Felicia]

If I told you once, then I told you twice, you've got to  
get to know me  
There's more to a relationship, then jumpin in the  
sheets  
And if that's all you want, then you better go, cuz that  
ain't me  
I don't give me love to just anybody  
If I'm not correct, then prove me wrong and, just hold  
on  
Gradually you'll see, just how good it'll be  
When the time is right, I'll ease your mind with a little  
bump and grind  
Fantasies full of ecstasy, we'll have a real good time

[Chorus]

[Krayzie Bone]

Since it's all good baby, we can get it on

Hey, you wanna ride? Krayzie Bone  
Come and jump in the Benz and tell your friends that  
you will get with them  
Later  
Come and let me take ya, got a couple of things I  
wanna show ya  
I'm really tryin to know ya, I'm just curious  
Is it really all good? You serious (I'm serious)  
If it is, then I gotta jump on it, ride it, ghetto cowboy  
Surprise, you thought I was quiet,  
I never was shy baby, niggas just act like  
That  
Lay back, but don't let that foolya rule ya, give that  
nigga the bag  
Cuz we won't have time to talk  
I've been peepin for a minute now (Yep,  
Yep, yep) and I know just where I'ma  
Start  
Let me listen to your heart beat, boom boom  
Racing intense situation, is it gettin kinda hot it here?  
No, that's you  
Temperatures are rising, so am I

[Chorus Til End]
