Song by Air

All I need is a little time,
To get behind this sun and cast my weight,
All I need is a peace of this mind,
Then I can celebrate.

All in all there's something to give,
All in all there's something to do,
All in all there's something to live,
With you ...

All I need is a little sign,
To get behind this sun and cast this weight of mine,
All I need is the place to find,
And there I'll celebrate.

All in all there's something to give,
All in all there's something to do,
All in all there's something to live,
With you ...
