Song by Scout

if you lied it wouldn't change a thing
it doesn't take a bell to ring
there you were the day before
you knew you had to go
you know it's never going to be the same

so why hurry
I'll make you smile
you can forget for a while

why are you playing picture games
hidden in a plastic frame
there you were the day before
falling into love
you know it's not suppose to stay the same
it's not suppose to stay that way

so why worry
I'll make you smile
you can forget for a while
