Song by Joan Jones

Doesn't want to go to work today
Doesn't feel it's importance
Wants to live her life like a swinging door
Let everything out everything in and more. she said
I don't know what it is that gives
I only know everyday is downhill from here
And I'm gonna get. I'm gonna want. I'm gonna be
where I want to be.
And i'm gonna take. I'm gonna give. I'm gonna drag
you along.
Ready or not you're ready for me you've gotta be
Because I want you to be.
Everyday. everyday is here. everyday everyday
everyday is here.
I'm using you because I like you
You make me happy. why shouldn't I keep on with a
good thing
Dig myself a little deeper
Did you ever think I could creep up on you?
And I don't know what it is that gives
I only know everyday is downhill from here
Everyday. everyday is here ...
