Everyday, everyday

Let Cell Block come on  
We rydin on suckas like everyday  
We blowin bitches back out in every way  
We dumpin' on fools who be actin hard  
Your whole damn family will get blown off  
Cause you ain't worth shit to me you know to me?  
To me and the Rydas up on your family tree  
Cause everyday is something new  
Now holla at Bullet yo whoo whoo  
Everyday except on Tuesday  
Cause that be the Rydas official killa fools day  
And haters like nobody cares  
That's when I put ghetto vets in wheel chairs  
And then push em down the stair case  
Bbbbbbbbbb  
Just for the look on they face  
A mental case a little sick in the brain  
All the same it's an everyday thang  
Black trucks bumpin is everyday  
Try to bank skrilla is everyday  
Runnin with a hatchet is everyday  
Psychopathic everyday  
Black trucks bumpin is everyday  
Try to bank skrilla is everyday  
Runnin with a hatchet is everyday  
Psychopathic everyday  
I ain't the one to be fucked with  
Fuck a bitch ass trick  
Eat a dick and die  
I know these other tricks that ride  
Help me when I'm horny  
Even hold my gun for me  
She adore me  
This everyday bitch after bitch  
City after city  
And I still treat em shitty  
Tell it to your face yo, no lie  
Everyday I live my life like the world bout to die

Some more everyday shit  
Some shit that happen everyday  
Around Full Clip way  
Around the ryda way  
Hey Escalades, Navi's, and Benzos

Pistol whippin hound dogs  
Turn the corner scoop up the rydas  
Cell Block and Foe Foe tread behind us  
We doin everyday shit

Everyday I slap a bitch in her lips  
Kick her in the ass, and twist her nipples  
Then I grab her by the hips and fuck her in the butt  
Uhh uhh what?  
I gives a fuck  
I'd fuck her with a used rubber  
After my homeboys done with it  
Forget it  
I admit it I wouldn't do that  
Cause my dick wouldn't fit in a rubber it's too fat  
Everyday smokin green leaf  
Everyday gat choking  
Everyday no joking  
Fuck prayin and hoping  
A born loser  
The drug abuser  
Mad as fuck in the land cruiser  
Fuck there's dues to be paid  
There's crews to be sprayed  
If I don't pack my heat it's a knife to your face  
This everyday all day ryda for small pay
