Whussup son
Thats right, Lil' Poot up in this piece, fool!
Lil' Shank and Foe Foe reppin' the Ryda Clique son
All my niggas that be puttin' it down
Smokin' and representin' your town
Black trucks with the bumps
Straight G shit
I'm a Ryde for life and we ain't never gonna quit
Will you ride with me
Smoke with me
Steady, blazin' weed, by the b-a-g'z
Cold D'z got your eyeballs spinnin', hoe winnin'
Flashin' me the tongue ring
Hopin' that she can get in
Low ryde with 2 hoes in the back
With the windows down so you can catch a contact
Watch your wig flip straight to the back
Like you witness the car jack
And somebody hit you with gat, Damn!
Ain't no playas when we ryde
(Ain't no body playin' when we ryde
Non smokers outside suckers)
Lil Poot, Lil Shank and Foe Foe
Quick to slap a bitch
Quicker to burn some indo
Let it roll the windows up
And tell your bitch quit starin'
Cause she will get fucked
Foe Foe pumpin up the Ryda Clique
And anybody got a problem with it
(Keep it in yur mouth and shit)

Well my niggas that's puttin' it down (Rep a nigga)
Smokin' and representin' your town (Rep a nigga)
Black trucks with the bumps,
Straight G Shit
I'm a Ryde for life and we ain;t never gonna quit

Well my niggas that's puttin' it down (Rep a nigga)
Smokin' and representin' your town (Rep a nigga)
Black trucks with the bumps,
Straight G Shit

I'm a Ryde for life and we ain't never gonna quit

I'm a R-I-D-E for L-I-F-E

A P-I-M-P

Well I might be

But i'm a thug nigga, you can count on that

With the black khakis and chucks and a muthafuckin'
ski mask

We blast, on bitches like you

We don't hafta have a reason

We just do what we do

And we do it so well

That we ain't never gonna stop

We get, swangin' things or unloadin' blocks

And if the playa hatas on the other side wanna talk

(This a message from the Rydas)

All of ya'll can eat a dick bitch

I'm a keep puffin' my weed and swangin' my sacks

And makin' underground chedda free of income tax

Foe Foe got my back like a muthafuckin' coat

(And if you wanna fuck with us)

I suggest that you don't

I'm a Ryda bitch (You know it)

And if you the enemy

You get 40's poured out in your memory! (Biotch)

Well my niggas that's puttin' it down

Smokin' and representin' your town

Black trucks with the bumps,

Straight G Shit

I'm a Ryde for life and we ain't never gonna quit

Well my niggas that's puttin' it down (Rep a nigga)

Smokin' and representin' your town (Rep a nigga)

Black trucks with the bumps,

Straight G Shit

I'm a Ryde for life and we ain't never gonna quit

Well

Me and Foe Foe

We like ryden on your set

Leavin' enemies pumped up and sidewalks wet

Ain't a neighborhood out there don't know me

I'm in a black navigator 2000 and 3

John Walsh couldn't see me on America's Most

I'll leave the muthafucker hangin' off a telephone post

Any stiches, you'll lose your tongue, you know the
game

When the cops come, tou'll be tryin' to humm my name

I ain't never gonna quit, i'll ryde a black wheel chair

Pull off the strap and drop everybody here

Big Bang be the name sniffin' cane of titties
Got Rydas hot and bustin' up 57 seven cities
Don Bolion started off servin' cracks
On the street back in heat
Black hoodies and chucks
Black trucks with the fender
Slangin' that wonder
Never gonna stop till they come and drop a killa down
under

Well my niggas that's puttin' it down (Rep a nigga)
Smokin' and representin' your town (Rep a nigga)
Black trucks with the bumps,
Straight G Shit
I'm a Ryde for life and we ain't never gonna quit

Well my niggas that's puttin' it down (Rep a nigga)
Smokin' and representin' your town (Rep a nigga)
Black trucks with the bumps,
Straight G Shit
I'm a Ryde for life and we ain't never gonna quit

When Cell Block hit the door
Niggas hit the floor
Rydas jackin'
Str8 dirtay pistol packin'
Smackin off suckers
Pistol whippin' busters
Ain't nobody trust ya
Punk muthafucka
Rydin' down the block
Black Trucks Steady Bumpin'
Hangin out the window and tryin to start somethin'
So why you actin hard and you think i'm by myself
Five niggas jump out, and beat yo ass to death (bitch)

Get the fuck out, hold up, wait a minute
Got the game unlocked, I ain't never gone quit
Fat flipper jack is with a penny on top
My grease khakis come equipped with a gat
Come and get some nuts
Get slapped with a dick
Deep in the game I ain't never gonna quit
Little Treezies, with bottles in the freezies
Psychopeezie leezie fo leezie, fo sheezie

Well my niggas that's puttin' it down (Rep a nigga)
Smokin' and representin' your town (Rep a nigga)
Black trucks with the bumps,
Straight G Shit
I'm a Ryde for life and we ain't never gonna quit

Well my niggas that's puttin' it down (Rep a nigga)
Smokin' and representin' your town (Rep a nigga)
Black trucks with the bumps,
Straight G Shit
I'm a Ryde for life and we ain't never gonna quit
