Yeah, hold still muthafucka!! Hold still
muthafucka!!!! Hehehe

Stepped in the spot, Rydas set deep
Some faggot ass mothafucka wanna get his peep on
I said, "relax, I'm taggin' this kid's bitch
Besides, my trigger finger's startin' to itch."
Fool steps up, startin' to wanna talk shit
Two steps back, bust him in his fuckin' lip
Fallin' to the floor, the mothafucka keeps talkin'
So I pulled my shit, he got a slug in the noggin

Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya better think twice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya head ain't nice

My turn? Wait. Lemme check this
One bullet...I miss
And I'ma have to walk all the way over there
And stick something sharp in your neck
Wack
Lookin' nothin' like a homicidal lunatic
I'd rather just shoot you and be done with it
Forget it
I ain't about to miss
I'ma leave his eyeball hangin' out like Bushwick

Down to peel your cap quick
Fuck all this rap shit
You're a long way from home
Infra-red beam on your dome
No mercy on a hater now I caught ya sleepin'
Creepin'
With the window open, Foe Foe peepin'
Heat seekin'
Bullets no bullshit, second guesses
Have your family up in black dresses

I'm a thug
Who only need one slug
No love
First shot
Punch his lights, time clock

Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya better think twice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya head ain't nice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya better think twice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya head ain't nice

You better back up bitch 'fore I peel your wig back
Or your face get cracked
By my Louisville bat
You punk mothafucka, why you still talkin' shit?
Don't you know I be from the Ryda clique?
I be Cell Block, and if you wanna fight
Bring it on mothafucka, 'cause tonight's the night
For you to meet your maker at the end of the fall
Because Rydas are known to put slugs in ya noggin

First things first, I done clapped one kid tonight
Now this mothafucka wanna flap his jaws at the
stoplight
Yo, I'm a Ryda, I don't give a fuck who you know
Bitch, I'm Full Clip, so I pulled him out his window
Beast scared of beef, and yo, I'm by myself
He had 320 and reachin' everything on the top shelf
However big, I don't give a fuck, you know the slogan
Cock the gat back, boo-yaa!! Slug in the noggin

Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya better think twice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya head ain't nice

Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya better think twice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya head ain't nice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya better think twice
Slug in ya noggin!
(Slug in ya noggin)
Slug in ya noggin!
Ya head ain't nu-nice
Nuttin' nice...ya! ya!
