Your a very strong person for coming here,
Than, Than, Thanks a lot,
Listen, I have to tell you,
We've arrested six different individuals,
And, uh, what we'd like you to do is,
Take a look at them,
We'd like you to,
Listen to their voices,
Try to see if you can possibly identify the person who
did this to you and your family,
I gotta tell you, I don't know if I'm comfortable,
But don't worry I want you to know they cannot see you,
(Madrox: Yes we can motherfucker)
They cannot see you through this glass,
He just said he could see me,
He said he could see you and me,
Inmate number one,
Step forth and say your name,

[Full Clip:]
Full Clip motherfucker,
And don't think for a second that I don't know where
your momma stay at,
You little bitch,

Kinda looks like him,
Inmate number two,
Please step up and identify yourself,

['Lil Shank:]
Hey, I'm 'Lil Shank motherfucker,
What the fuck y'all two bitches lookin' at?

God, It's so hard to tell,
They all look the same,
Number 3,
Walk toward the glass and identify yourself,

[Yung Dirt:]
Motherfucking Yung Dirt,
Hey,
You look like the bitch I tried to kill yesterday,

Hey, I'm gonna fucking kill you bitch,

[Bullet:]

The day I get out,
I'm a be inside your house,

You sure they can't see us?

[Cell Block:]
