Wooden alphabet building blocks
Different colors.
Female left hand
Your arms move to numerous instructions.
She heard colors colored hearing
Pythagoras had an inkling
your voice tastes of three different flavors, yeah.
Got no, got no carbohydrates on my eating apparatus,
I've not been firing off all cylinders lately.
She heard colored hearing
Pythagoras had a theory
Your voice tastes of three different flavors, yeah.
Oh, I read your star sign before I read mine.
x6
Oh, yeah.
