Your pubes are on the soap cuz you never wash em off
and I never say a THING
There's wrappers on the floor and you never do the
dishes and I never say a THING

Well...

I'll move your book onto a different page
I'll let your hamster out of it's cage
I'll call you names when you just left the room
I'll draw mustaches on pictures of you

Passive vengeance
Passive vengeance
No direct confrontation at all
Passive vengeance
Passive vengeance
No direct confrontation

You haven't got a job and you owe me for the rent and I
never do a THING
You always eat my food and you're hogging up the
shower and I never do a THING

Well...

I'll put a scratch on your favorite CD
I'll tell your friends you watch TNT
I'll steal your change that you dropped on the floor
I wont tell you when I go to the store

(Guy 1)hey man
(Guy 2)hey
(Guy 1)where'd you go?
(Guy 2)uhh go to the store
(Guy 1)oh well yea I kinda needed some toilet paper
it'd be awesome if you could let me know when you do
stuff like that
(Guy 2)I'll be sure to let ya know next time

You won't
You won't see this coming at all
You won't
You won't see this coming

Calculated retribution you will feel me indirectly
Retaliation just as well be dealt because I
Farted on your door handle (I got more comin)
I took your roll of toilet paper (No mercy)
I gave your dog diarrhea (He's got more comin)
I threw away your phone charger

So take that bitch
So take that bitch
You had enough bitch?
So take that bitch
You want more bitch?
So take that bitch
So take that bitch

How could you prove it was me?

That's called passive vengeance
Passive vengeance
No direct confrontation at all
Passive vengeance
Passive vengeance
No direct confrontation
