Motherfuckin' irony  
How'd you get the best of me  
Love is in the air, and you make it smell like SHIT!  
Never thought I had a chance  
guess I was just a trance  
'cause I liked you all along and now I have to say so  
long and

I know I had my reasons  
for not tellin' you my feelings

Like I'm a wuss  
and I got no balls

Those stupid if's keep swarming me  
like gnats  
They won't leave me alone.  
'Cause I wish you'd told me  
If I had only known  
And I'm such a loser  
I should have let you know

Tell me now what good is love  
when you leave it in a week  
now I know that I would rather NOT know than to know

What am I supposed to do  
no one can compare to you  
Guess I'll just have to hit on a bunch of random,  
nameless women

Is this some sort of drama  
a chick flick that I'm the star of

This can't be REAL  
"He's in Denial"  
I'm really PISSED!  
"Now he's at Anger"  
Now I'm really sad  
"He's reached Depression"  
Oh well, it's not so bad

"Now he's at Acceptance."

Those stupid if's keep swarming me  
like gnats  
They won't leave me alone.  
'Cause I wish you'd told me  
If I had only known  
And I'm such a loser  
I should have let you know

Those stupid if's keep swarming me  
like gnats  
They won't leave me alone.  
'Cause I wish you'd told me  
If I had only known

Those stupid if's keep swarming me  
like gnats  
They won't leave me alone.  
'Cause I wish you'd told me  
If I had only known  
And I'm so pathetic  
I should have let you know  
So I'll tell her next time  
I should have let you know
