My car is a PIECE OF SHIT!  
Wanna drive you off a cliff  
Watch you crash into a ravine  
For the things you did to me, you...

STUPID CAR!  
I wanna make myself a pipe bomb  
Blow your damn engine back to hell  
Where I know you're from.

Piece of CRAP!  
You aren't even worth the tow  
To a junkyard or a place  
Where you'd sit and lay to waste, I...

WISH YOU'D DIE!  
Oh never mind, you always do.  
Could you tell me how much longer it will be  
Until I'm rid of you?

I wish that you'd just get hit by lightning (or something)  
My confidence in you is sold with every part I buy  
I guess I'm just a sucker with a lemon  
So pucker up and kiss another paycheck goodbye!

You leak more than a newborn baby  
I change you oil all the time but still you need some  
more  
Your fluid puddles come in assorted colors  
Such wondrous variety of problems galore

Will there be a time  
When I know I can drive  
Without my car breaking down?

And will I ever see  
It start consistently  
Without the pain and the suffering

(Stupid fucking car)

My car is a PIECE OF SHIT!

I ought to give you a swift kick  
In the muffler, in the tire  
Or where ever I desire you...

STUPID CAR!

You never get me very far when  
You decide driving to the store is a mortal sin

PIECE OF CRAP!

I guess you want a piece of me  
Since you're leaving all your pieces  
In the middle of the street

You heap of JUNK!

I don't know what I'm gonna do  
I just hope that I don't have to take another day of  
driving you

I swear you must be older than my grandma (and she's  
dead)

The fact you run at all is quite a mystery to me  
Your miles are approaching seven digits  
May God have mercy on the soul that's holding the key

I'm guess I'm just a little angry

But for some reason, getting stranded kinda chaps my  
hide.

You probably think I'm slightly overreacting  
Has your car ever made you think about suicide?

Will there be a time  
When I know I can drive  
Without my car breaking down?

And will I ever see  
It start consistently  
Without the pain and the suffering

Will there be a time  
When I know I can drive  
Without my car breaking down on me?

And will I ever see  
It start consistent...

What the...?  
C'mon... give me a break!

Alright... PEICE OF SHIT!!  
DIE!!!!  
AAARRRRGGGHHHH!!!!
