Visit "[In This Place](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I cannot stand to see what I see  
I can't stand this place I must be  
I don't mean to imply that above all am I  
But again

Kiss me goodnight, my friend  
Just say goodnight, my friend  
Just say goodnight

Take a look at yourself, take a look at me  
I believe you'll miss all there is to see  
Don't believe in the lies that you hear  
With your eyes again

Kiss me goodnight, my friend  
Just say goodnight, my friend  
Just say goodnight

Racer of the chase for pleasure  
Actor of the child at play  
Lay down, it's time for nappie, baby  
Taking all your toys away

I cannot stand to feel this way I feel  
I can't stand to face what I fear is real  
I don't mean to imply that you'd utterly lie  
But again gets me

You just say goodnight, my friend  
Just say goodnight, my friend
