Well every time you come on over I just wanna listen,
I know you got some issues and I know that you just
miss him,
I gotta fever just to see her feelin' like a stalker,
and didn't know I'm really good at makin' you feel
awkward...

I'm at a party and I'm barfin' I can barely see,
and every time I talk to you well I can never breathe,
I'm gettin' drunker I'm a bummer I should just call her,
and don't you know I'm really good at makin' this feel
awkward
and don't you know I'm really good at makin' this feel
awkward
and don't you know I'm really good at makin' this feel
awkward

I got no job I got no money got no self esteem,
I take a Xanax every morning for anxiety,
I take a beer and take another then I'm gonna call her,
I'll probably end up fuckin' up and makin' it feel
awkward

i'll probably end up fuckin' up and make it super
awkward..... x14
