Broken Heart
Got my nose
Still Wait by the telephone
Oh oh oh
She never gonna call
Oh oh oh
She never gonna call
I Don't need
I don't does
Stay at home and watch football to
Oh oh oh
She never gonna call
Oh oh oh
She never gonna call
Hot style
On the long
Wake up looking for the phone
Oh oh oh
She never gonna call
Oh oh oh
She never gonna call
Oh oh oh
She never gonna call
Oh oh oh
She never gonna call
