[Verse 1: 50 Cent]

Tonight's the night shorty you'll never forget this  
I dim the lights I get it right I'm like a pimp sick  
Down on the bed I make the clothes disappear quick  
I see through her shit it curl up pretty clear kid  
I'm turned on now I really wanna hit  
Kiss, her neck and nibble till I'm way down on her waist  
kid

Man she's a freak I'm a freak I be freakin off  
When she come in with a friend I might take it off  
I got a fetish for the cheddar yeah I'm rich bitch  
That don't mean I'm runnin 'round buyin chicks shit  
You see the chrome doubt be shinnin on my new six  
My pinky ring my neck my ears and my wrist lit  
I like the ice I'm pretty nice on the dice trip  
Twice in a row you know, I got to get the dough  
My confidence is high, I know I could hit or lick  
My g's pretty good, I know I could get the bitch

He in the streets all day but it's alright  
Cause he'll be back tonight, and in the next night  
And in the next night, because the sex tight
