Raging fury built inside
Hallowed point
Sick suicide
You can't see what dwells
Within these lies
(x3)

Scripture leading to damnation
God forbidden retribution
Laced with hatred
Soul destruction
Bursting chests with each malfunction
(x2)

Curved moist flesh
Lay on ground
Rotten your life
Your being now forgotten
Slaughterd for my love of bloodshed
Spattered body dead remain dead
(x2)

Raging fury built inside
Hallowed point
Sick suicide
You can't see what dwells
Within these lies
