nightmare bleeds from my soul dripping down into my
eyes
embrace the tainted offering body surging with
impurity
kiss the burning hatred ground into my being
without remorse without cause it resurrekts

inject me
infest me
pray to me
(x5)

inject me
infest me
pray to me
pray to my disease
(x2)

visions of torment
escape is suicide
relive this misery
resurrekt the filth inside
(x2)

inject me
infest me
pray to me
(x4)

nightmare bleeds from my soul dripping down into my
eyes
embrace the tainted offering
body surging with impurity
kiss the burning hatred ground into my being
without remorse without cause it resurrekts

injekt me
infest me
pray to me
pray to my disease
(x2)
