[50 Cent]

Yeah... ladies and gentlemen~!

I'd like to thank y'all for comin out tonight

It's my third album, third tour, third time's a charm

[Intro: Robin Thicke] + (50 Cent)

Girl when I go, where we go, I wanna take you 'round  
the globe with me

I got dough (ha ha) plenty baby you can blow with me  
And baby I know (uh-huh) that money ain't ev-ery-thing  
But it's fo' sho' (fo' sho, fo' sho') and ain't for nothin  
when you fuck, with, me  
Now when I go

[Chorus: 50 Cent] + (Robin Thicke)

(Follow my lead)

Baby I can be all you need, if you follow my lead  
Follow my lead, I'll hold you down, put your trust in me  
Baby follow my lead (follow my lead)  
Follow my lead, I think God made you for me  
Follow my lead - follow my lead  
I'm the one girl in time you'll see  
If you follow my lead

[50 Cent]

Don't listen to the rumors, they say 50 fuckin crazy

50 don't know how to treat a lady, they wrong

I like you a lot, I don't wanna hurt you

But I call a square a square and a circle a circle

So if you act like a bitch, I'll call you a bitch

Then hang up, probably call you right back and shit

And have to say, "Baby I apologize"

Cross my fingers, God forgive me for tellin lies

Like Janet Jackson said, I miss you much

I really wanna feel your touch, and smell your scent

Baby I can pass the day

Watchin you model lingerie

I wanna spend the night tonight shorty if it's okay

You can be my Beyonce, I'll be your Jay

Ha ha~! I got a great sense of humor

First I make you smile then I woo you, you know I wanna

do ya  
Or do ya?

[Chorus]

[50 Cent]

After seven hours, New York to London, you're  
wonderin  
What's gon' be the next stop - I told you  
I'm a don, you gon' know I'm a don  
After you shop 'til your feet hurtin in Milan  
Now take a picture, these are moments you can cherish  
They say the scenery was made for lovers out in Paris  
Ask your fam about me, they say 50 we love him  
Without them there's no me, so I love them  
Man they're the reason I exist, the reason I insist  
I'm never less than the best, I'm perfection I guess  
As my niggaz are stressed, I pass the test  
Everytime I drop, I'm burnin hot  
So I don't care if she loves me or loves me not  
Long as I enjoy the time that we spend  
I ain't lookin for commitment, we can fuck and be  
friends  
Matter fact, we can do it right in back of my Benz  
I get it done with speed

[Chorus] (with Robin Thicke ad libs)

{\*more ad libs to fade\*}
