Intro: 50Cent singing, {DJ Whoo Kid}]  
Nights like this... I wish.  
Rain drops would fa-a-a-all  
5 heartbeats left  
One last deep breath. - Freeze! {50CENT!} [shot]

[50Cent:]  
I got a 16 shot Rugger, I got 16 cars  
All over how I write 16 bars.  
Ja, Joe and Jada they're fuckin' retards!  
I run Interscope, uh-uh! Oh, my God! {HAHA!}  
Your stuff I'll make it hot  
You want I'll get ya shot. [gunshot]  
You're just open your coffin',  
You're dead men walking.  
Now when I'm out in London they say I'm so smart,  
I fired rounds from pounds I came up so hard.

[Chorus: 50Cent singing]  
I been around the world and aiya-ya-ya!  
Must be goin' crazy.  
Cause I'm still down,  
To get down to let off rounds [gunshot]  
I'm loadin' up my 380. [gun cocks]  
I can't wait 'till I see death. [gunshot] [beat stops]  
{DAMN!}

[beat starts from the begining]
