Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
Wanna bump yo' body, wanna bump yo' body
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
Wanna bump yo' body, wanna bump yo' body [Don't
stop]

Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
(Hmm mmm)

Wanna bump yo' body, wanna bump yo' body (I wanna
bump with you)

Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
Wanna bump yo' body, wanna bump yo' body [Don't
stop]

Out on the dance floor, I'm holdin' you so tight
Gotta make you feel me, gotta press your body tight
Rub against my body, grind, and I'm in the mood for
the same

Dancin' real freaky (Ooh), this is how you groove
What's on your mind, it's body bumpin' time, baby
Love makin', hopefully, while we grind

Uh-huh, don't you want me 'cause I want you

Let's do this, what we're doin', yeah

Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
Wanna bump yo' body, wanna bump yo' body (We can
do this all night)

Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
Wanna bump yo' body, wanna bump yo' body (Bumpin'
your body) [Don't
Stop]

Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
Wanna bump yo' body, wanna bump yo' body (Come
on, baby, come on, baby)

Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
(Tonight)

Wanna bump yo' body, wanna bump yo' body (You
bump my body, I'll bump
Your body)

[Don't stop]

I'm-a grant your wish and let you know what's on my
mind

It's about that time that I hit you for some bump n' grind
I'm in the mood for you, I wanna feel your groove, girl

you
Can creep a move, then let's go get up on a room
Makin' me do things that I never did before
Behind closed doors I wanna make you shout for more
This freaky thing is on, body bumpin' all night long
No doubt about it if you want it I can bring it on bumpy
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
(On the dance
Floor)
Wanna bump yo' body, wanna bump yo' body (Don't
stop)
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
(Baby, bring it
On)
Wanna bump yo' body, wanna bump yo' body [Don't
stop]
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
(And let me)
Wanna bump yo' body, wanna bump yo' body (Bump
with your body)
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
(Uh)
Wanna bump yo' body, wanna bump yo' body (Girl,
come on)
Bumpin', you and me, everybody get your freak on
Bumpin', you and me, everybody get your freak on
[Don't stop]
Bumpin' (Bumpin'), you and me (You and me),
everybody get your freak on
(Baby, don't you wanna get your freak on)
Bumpin', you and me (Baby), everybody get your freak
on [Don't stop]

bump yo' body,
Baby
Wanna bump yo' body (I wanna play with your body),

(I care, no, who's lookin', I don't care who's around)
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
(All I wanna know
Is can we get down)
Wanna bump yo' body, wanna bump yo' body [Don't
stop]
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
('Cause I wanna bump with your body, baby, tonight)
Wanna bump yo' body, wanna bump yo' body
Yippie-yi-yo-yippie-yi-yea, wanna bump yo' body, baby
