Oh no. Oh no. Oh no. Oh yeah.
Would you like to eliminate all the times and the memories?
There was good, don't you look at me. There was bad, there was ugly.
I've been awake for 70 hours, it's perfectly safe, it's perfectly
Sensible.
Mourning the loss of balance and sanity, but I require a crummy
Celebrity.
Maim all the cripples and fool the incompetent, what has your memory
Revealed of your appetite? Don't you realize I'm not doing this for
You?
My motive is a taboo.
Leave me alone I want my mom. Get your hands off me, yes I'm calm.
Fine have it your way I will stay, only if you promise to go away.
I am a hermit dressed as a god, autistic rapist you applaud.
Put a bag over my head and then you'll see quite how you've been
Misled.
Are you there? Are you listening? Are you dead?
Trouble breathing?
Stay inside? Entropy approved. Bleeding ears? I'll have them
Removed.
Maim all the cripples and fool the incompetent, what has your memory
Revealed of your appetite? Don't you realize I'm not doing this for
You?
My motive is a taboo.
Leave me alone I want my mom. Get your hands off me, yes I'm calm.
Fine have it your way I will stay, only if you promise to go away.

I am a hermit dressed as a god, autistic rapist you
applaud.
Put a bag over my head and then you'll see quite how
you've been
Misled.
Fuck your family.
Leave me alone I want my mom. Get your hands off
me, yes I'm calm.
Fine have it your way I will stay, only if you promise to
go away.
I am a hermit dressed as a god, autistic rapist you
applaud.
Put a bag over my head and then you'll see quite how
you've been
Misled.
