Man: So tell me a little bit about yourself, Emily

Emily: What can I tell you that you haven't already heard in gossip? Tell me all the terrible things you've heard about me.

Man: To tell you the truth, Emily, they are saying bad things about you... they say you're a drug taker.

Emily: Yeah, sometimes I guess.

Man: What kinds of trouble do you get into?

Emily: Sometimes, late at night, when everyone is asleep, I amputate my face.

Man: Why would you amputate your face Emily?

Emily: People like you always want to know why, always want to know how. Haven't you ever done something just because it was something no one ever expected you to do? Haven't you ever done something just because you've never done it before?

Man: No, I don't condone that kind of idiotic behavior; I see it as a failure to accept the reality you've been provided.

Emily: Fuck reality.

Man: But reality is everything.

Emily: Then, guess what? Fuck everything. You're ugly.
