Visit "[Kewpie Dull](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It smells like  
Someone died  
In this room  
On the bed

It smells like  
Someone died  
In this room  
???

I knew I would find you  
No need to remind you  
I'm standing behind you  
I'm dying to bind you

It smells like  
Someone died  
In this room  
No one cares

You belong to me  
You're my property

It smells like  
Someone died  
In this room  
All alone

It smells like  
Someone died  
Dreaming of love  
Happiness

I knew you would find me  
No need to remind me  
You're standing behind me  
You're dying to bind me

It smells like  
Someone died  
In this room

What a mess

You belong to me  
You're my property

You're my cute little (x4)

You belong to me  
You're my property

Time to run away  
????
