Yeah come on playas  
Get on the floor for this one  
All my mamis come on let's bounce to this  
Say what, let's bounce, bounce to this  
Say what don't forget the group P.A.  
Once again it's on

I'm tellin everybody this one's the lick  
So all you pimps and playas come on and take your  
pick  
You know that there's a party goin on up in here  
Dimes and all the cuties hanging out everywhere

It's gonna be a long, long summer  
(This is going out to my people's in the hood)  
It's gonna be a lotta, lotta drama  
(Whatever you do, you know it be alright)  
With all the fellas hanging out  
(Ooh come on)  
And the girls blazing hot  
It's gonna be a long, long summer  
(Whatever you do you know we can)

1 - Wanna party we can  
Wanna drink we can  
Wanna smoke we can  
Wanna wild out we can  
Wanna dance we can  
Wanna holla we can  
Wanna stay we can  
Wanna creep off we can

This action here is tight, hold up I'll get back to you  
Now I got my drink, who was talking, me or you  
Look the party's on ten, shortey's rollin in three by three  
Gotta bounce with one, if not, damn - shame on me

It's gonna be a long, long summer  
(And this is going out to my people in the hood)  
It's gonna be a lotta, lotta drama  
(Whatever you do, it's gonna be okay)

With all the fellas hanging out  
(Baby)  
And the girls blazing hot  
It's gonna be a long, long summer  
(Whatever you wanna do baby, we can)

Repeat 1

Boy I wanna party with you  
All my girls wanna get with your crew  
Pop Cristal all night long  
If you're tight take me home  
Oh baby, we can, we can oh yeah

Repeat 1 till end
