[OG Playboy]

I've been loving you (loving you)
I've been missing you (missing you)
I've been wanting you (ah ah)
I miss you baby, I remember
the first day we met, I'll never forget
oh how I miss you baby

[Mr. Sancho]

Baby look at what I do just thinking of you
when I really wanna know you true
cause I wanna do all the things you do
when you're up riding, I remember the time
when you used to cross my mind
For no reason, baby no teasin'
gotta be the eagle when I meet the beagle
one for your pleasin' I remember the times
when you used to blow my mind
mami mira lo que hago tanto siento pa' no separarnos
cada vez te dejo en charcos soy el sancho del ano
I remember the times when we used to bump and grind
everyday in my life I look back and think twice
of my memories of you girl you know you miss me too
although I don't see you and I don't know what to do
girl

[Chorus] [OG Playboy]

I remember the times when you used to blow my mind
you broke me off all the time when you were mine
(I remember [Royal T]) I remember the times
(When I used to hold you [Royal T]) when you used
to cross my mind you broke me off all the time and
now I'm missing you

[Silencer]

What's up mija I wanna spend a little time with you

[Repeat Chorus]

[Mr.Sancho]

I find myself taking interest to when we first kissed
cause I'm missing you mami because you're the shit
and you never get sick when I did your homegirls
I can't deny I'm so glad you walked into my life
didn't get corrupted by the nosy public 'till I introduce
you to this sancho lovin' now she's bumping me
and all the LPG and tell me when he's leaving so that I
can sneak in I still have in my mind how you made me
loose
my mind, Player mija you're my player girl you think
just like me
got a man I can see but you'll always be there for me
girl
player mija I am your player girl you know what to do
when you
feelin' lonely ma' I'm who will always be there for you
girl

[Repeat Chorus]
