Whenever I'm alone with you  
You make me feel like I am home again  
Whenever I'm alone with you  
You make me feel like I am whole again  
Whenever I'm alone with you  
You make me feel like I am young again  
Whenever I'm alone with you  
You make me feel like I am fun again  
However far away  
I will always love you  
However long I stay  
I will always love you  
Whatever words I say  
I will always love you  
I will always love you  
Whenever I'm alone with you  
You make me feel like I am free again  
Whenever I'm alone with you  
You make me feel like I am clean again  
However far away  
I will always love you  
However long I stay  
I will always love you  
Whatever words I say  
I will always love you  
I will always love you
