Lonely"

[talking:]

Man...

Stripped out...

I Can't keep going like this...

Gonna find me somebody..

Is there anyone out there for me?

Somewhere...

[Verse 1:]

I'm sick and tired seeing couples play

Holding hands in the sun all the day

I love the way that it calls her name

I feel the love that's flowing through their veins

Never thought I miss love this way

Until I woke up with a broken heart today

Singing "Can I get your love back again??"

I'm going crazy being your friend

[Chorus: x2]

(Girl I'm lonely) I don't wanna be alone no more

(Girl I'm lonely) I need someone to call my own

(I'm so lonely) Is there someone who cares about me?

(I'm so lonely) Someone fulfill my needs

[Verse 2:]

I had a good dream that you came back to me

I didn't wanna wait to face reality

But I woke up early longing for you

I hold my pillow tight thinking that it's you

The pain inside it hurts so bad

I just laid back as time goes past

Singing "Can I get your love back again??"

I'm going crazy being your friend

[Chorus: x2]

(Girl I'm lonely) I don't wanna be alone no more

(Girl I'm lonely) I need someone to call my own

(I'm so lonely) Is there someone who cares about me?

(I'm so lonely) Someone fulfill my needs

[Bridge:]
I don't wanna be lonely
And I need someone for me
Show I don't wanna be lonely
I just need someone for me.....

[Chorus: Till Fade]
