Heh, step on, part two
The after party, PA
Bringin' it back to ya

Everybody get down
Ain't nothing wrong with a party tonight
Let the rhythm take control
And bring ya body to the floor all right

Give the groove a chance
If you only know how to dance
Show what you can do
It's all up to you
Ain't no holdin back now
Let the look come down
Everybody's watchin
Here's what we do tonight

1 - Drink champagne, steppin' all night
Till the morning come, everybody all right
Spend a lot of money, everybody on the floor
That's the way we do, steppin' in Chicago

People here from all over town
Heard about the way this thing is goin down
All the playas male and female
Dressed tight, cars all detailed, throwin down
Give the groove a chance
If you only know how to dance
Show what you can do
This steppin' thang, it ain't new
It's the second time around and this is what we do
If ya gotta know now, it's step on part 2

Repeat 1

Step on
Step, step on
Step, step on
Step, step on
Step, step on
Step, step on

Step, step on
Step, step on
Glasses in the air!!

Repeat 1 till end
