(chorus)

Ultra mega, supersonic
Ultra mega, for your head
Ultra mega, catatonic
Ultra mega, do you dare?

Wanna get in my world, my world
You wanna get in my world
Oh yeah, you wanna see the same thing, same thing
The true blood spat mega star is changing

Right

Now there must be a difference,
between you and me,
cuz I'm the ultra mega, and you'd just like to be

(chorus)

Ultra mega, supersonic
Ultra mega, for your head
Ultra mega, catatonic
Ultra mega, do you dare?

Wanna put back on the earth this time,
I can't stand to feel this way
Almost even, almost perfect,
Almost never, almost worth it

Now there must be a difference
Between us and the ground,
cause the ultra mega
was the only sound

(chorus)

Ultra mega, supersonic
Ultra mega, for your head
Ultra mega, catatonic
Ultra mega, do you dare?

Let's go! x2

Would you converse with the universe,
and let them know that they were wrong?

Wanna get in my world, my world
You wanna get in my world
Oh yeah, you wanna see the same thing, same thing
The true blood spat mega star is changing

(chorus) x2
Ultra mega, supersonic
Ultra mega, for your head
Ultra mega, catatonic
Ultra mega, do you dare
