[Sample from the film Devil's Backbone]

[Vinnie Paz]

Yeah, Jedi Mind baby, como esto

Vinnie Paz, Vinnie got real, yeah yeah...

I'm like Mussolini, I rule with a iron fist
I stab you in the bladder with a dagger and watch you
die in piss
Cut inside your wrist, drink the bloodmoney
And your face is the perfect place for a slug, money
You ain't a thug money, you all maggots
You like to chill and hold hands with faggots
You like to conduct yourself like a savage
You like the smell of males on your mattress
Cause that's established, I fuckin hate you
I hate your mother and father, because they made you
I hate the universe, because it create you
I hate everyone and anything that embrace you
Who fuckin raised you? You a fuckin disgrace!
And if you come around my way you get bucked in the
face
Get snuffed in the face, then I wack you
With razors, nines, guns and what have you

[Vinnie Paz]

I'm Ayatollah Khomeini, I love to wage war
I love anybody who rhymes and stay raw
I love getting my rhymes in chainstores
I love splitting you mind with chainsaws
My thought-process is down in the fuckin' Lochness
Knock a motherfucker unconscious!
Cause I don't give a fuck if you a man or a beast
I handle my beef, tell Stoupe "hand me the heat"
Hand me the piece and let me buck with their head
We sicker than necrophiliacs fuckin' the dead
Buck 'em instead, and leave 'em to rot
Let their body flow down the river, and what not
When shit pop, I greet beef with a smile
Cause I ain't punched a faggot in his teeth in a while
But meanwhile we just tryin' to shine

Tryin' to get mine, try to get a grip for my mom

[Vinnie Paz]

I see you lookin' at me sideways daddy, that's your first mistake

Die for cross for Christ, baby burn in to stake

You learnin' too late

You too concerned with the fake

Too concerned with the law, that's why you turned into jake

You turned into snake, but I expected that

I'd like to get a fuckin' noose and put your neck in that

To me it's like the sound of music when your neck will crack

And now you temp to me to bring the doctor Jekyll back

Now that we settled that, it's like a war now

And Vinnie Paz bout the kick the fuckin door down

Cause Jedi Mind Tricks is goin for a renown now

It's like the callin of a storm now

But y'all know it's about the get ugly

Dirty rhymes, dirty beats, it's all muddy

For 12 long years, Jedi Mind we stay cruddy

As long as y'all showin' us love it's all lovely
