A face is raining
Across the border
The pride of history
The same as murder
Is this living

He's been careering

The steady hand as planned
Behind the reasoning
No claim for property
Both sides of the river
There is bacteria
Is this living

He's been careering

Trigger machinery
Mangle the military
No one should be there
Is this living

Blown into breeze
Scatter concrete
The jagged metal bad life
Manufactured

He's been careering

Is this living
A face is raining
Across the border
The pride of history
The same as murder
Is this living

Careering

There must be meaning
Behind the moaning
Spreading tales
Like coffin nails

Is this living

He's been careering

It's raining

I need to hide

Trigger machinery

I've been careering

Across the border

Is this living

Both sides of the river

There is bacteria

Armored machinery

Mangled

[Incomprehensible]
