Hello
Hello
Hello hello
Hello
Hello
Ha ha ha ha
You never listened to a word that I said
You only seen me from the clothes that I wear
Or did the interest go so much deeper
It must have been to the colour of my hair
The public image
What you wanted was never made clear
Behind the image was ignorance and fear
You hide behind his public machine
You still follow same old scheme
Public image
Two sides to every story
Somebody had to stop me
I'm not the same as when I began
I will not be treated as property
Public image
Two sides to every story
Somebody had to stop me
I'm not the same as when I began
It's not a game of monopoly
Public image
Public image
You got what you wanted
The public image belongs to me
It's my entrance my own creation
My grand finale
My goodbye
Public image
Public image
Goodbye
