(John Lydon/Bill Laswell)

I could be wrong I could be right
I could be wrong I could be right
I could be wrong I could be right
I could be black I could be white
I could be black I could be white
I could be white I could be black
Your time has come your second skin
The cost so high the gain so low
Walk through the valley
The written work is a lie

CHORUS

May the road rise with you
May the road rise with you
May the road rise with you
I could be wrong I could be right
I could be wrong I could be right
I could be black I could be white
I could be right I could be wrong
I could be black I could be white
They put a hot wire to my head
Cos of the things I did and said
And made these feelings go away
Model citizen in every way

CHORUS

Anger is an energy
Anger is an energy
Anger is an energy

CHORUS

Anger is an energy
Anger is an energy
Anger is an energy
I could be wrong I could be right
I could be wrong I could be right
I could be wrong I could be right
I could be black I could be white
I could be right I could be wrong
I could be black I could be white
Your time has come your second skin
Cost so high the gain so low
Walk through the valley
The written word is a lie

CHORUS

I could be wrong I could be right
Could be wrong-
They put a hot wire to my head
Cos of the things I did and said
A model citizen in every way
Your time has come your second skin
Cost so high the gain so low

CHORUS

Anger is an energy
Anger is an energy
Anger is an energy
Anger is an energy
Anger is an energy

CHORUS

Anger is an energy
Anger is an energy
Anger is an energy
I could be wrong I could be right
I could be wrong I could be right
I could be wrong I could be right
I could be black I could be white
I could be right I could be wrong
I could be black I could be white
Your time has come your second skin
Cost so high the gain so low
Walk through the valley
The written word is a lie

CHORUS

I could be wrong I could be right
Could be wrong-
The put a hot wire to my head
Cos of the things I did and said
A model citizen in every way
Your time has come your second skin
Cost so high the gain so low

CHORUS

Anger is an energy
Anger is an energy
