Think you know the answer?
Think you got all the problems?
Well, why not try and solve them?
Instead of your sitting on them

Solitaire, solitaire

Taking on new projects
Steadily slipping sideways
Close your ears to reason
Your very valued opinion

Solitaire, solitaire

Nothing is getting you nowhere
Never meaning what you're saying
Well, now I need decision
[Incomprehensible]

Solitaire, solitaire

The slightest seems to explode you
Well, the whole world will implode you
Solitaire for the lonely fly
You're not the only one

Solitaire, lonely fly

Can't pull out my heart
Can't pull out my heart
Can't pull out my heart

Solitaire, solitaire

Solitaire
For the lonely fly

Think you know the answer?
Think you got all the problem?
Well, why not try and solve them?
Instead of sitting on them

Taking on new projects
Steadily slipping sideways
Close your ears to reason
Your very valued opinion

Now, nothing is getting you nowhere
Never meaning what you're saying
Well, now I need a decision
[Incomprehensible]

Can't pull out my heart
Solitaire
