Happy to have and not to have not Big business is very wise I'm crossing over into e-enterprize

Not a love song This is not a love song This is not a love song This is not a love song Not a love song, I know

I'm going over to the other side I'm happy to have and not to have not Big business is very wise I'm inside free enterprise

This is not a love song Not a love song

I'm adaptable, I'm adaptable
I'm adaptable and I like my new role
I'm getting better and better
And I have a new goal

## I'm changing my ways where money applies
