Hello
Hello
Where are you
Where are you
Where are you
Where are you
Where are you
Now
So now you keep your distance
Double on the nuisance
Avoid the situation
Avoid your occupation
Hardly surprising
Too busy socialising
Where are you
Where are you
Where are you
Where are you
Now
You're never here when you're needed
Nothing ever heeded
The lying and the faking
The lying and the waiting
It's hardly surprising
Too busy socialising
The lying and pretending
But you don't even try
Where are you
Where are you
Where are you
Where are you
Now
A car without an engine
A plane without a pilot
It's hardly surprising
Too busy socialising
The lying and the faking
Fake
Fake
Fake
Where are you

Where are you now
Where are you
Where are you
Where are you
Where are you now
