When you're feeling all alone,  
The world's a drone,  
And nobody's shown... any love to you.

When your heart is cold as stone,  
Just change your tone,  
Get rid of that groan and the world will too.

'Cause swordfishes  
Love you!  
Jellyfishes  
Love you!  
Starfishes-  
'I LOVE YOU! '

You know it's true,

Catfishes  
Love you!  
Cuttlefishes  
Love you!  
Blowfish-  
'STARFISH REALLY LOVES YOU! '

In The Ocean Blue.

(Rapping):

Lung fish, black fish, alligator, Ice fish  
Armour head, hammer head, anaconda, flat head  
Manta ray, stingray, fang-tooth moray  
Goblin shark, grass carp, round-river-bat ray

Noodle fish, hag fish, man o' war, lady fish  
Black eel, baby seal, sprat, koi, electric eel  
Lamprey, pejerrey, yellow-edged moray  
Salmon shark, sleeper shark, featherback and eagle  
ray

(Back to song):

Well you can ignore this plea,  
That's fine with me,

But one day you'll see that my words are true.

If ya find that you agree,  
I guarantee,  
That you will soon be feeling the love too.

'Cause swordfishes  
Love you!  
Jellyfishes  
Love you!  
Starfishes-  
'I WANNA BE WITH YOU FOREVER! '

You know it's true,

Catfishes  
Love you!  
Cuttlefishes  
Love you!  
Blowfishes-  
'STARFISH! LOVE ME, LOVE ME! '
