Slow motion, slow motion  
Getting rid of the albatross  
Sowing the seeds of discontent  
I know you very well, you are unbearable  
I've seen you up far too close  
Getting rid of the albatross

Frying rear blinds  
If I wanted  
Should I really  
If I run away, run away

Riding along on the crest of the wave  
Getting rid of the albatross  
Another will not forget  
I know you very well

Run away, run away  
Should I  
I run away  
Getting rid of the albatross  
I know you very well, you are unbearable  
I see you far too close  
If I wanted to, if  
Run away, run away  
I ran away, I ran away
