Be bland
Be dull
Be boring
Be really, really, yâ€™ know nothing a void, zilch, zero,
nought, nothing, vacuum

Be in love
We wanted to be loved
We wanted to be loved
We only wanted to be loved
We only wanted to be loved

We only wanted to be loved
We only wanted to be loved
We only wanted to be loved

Oh love
Love makes the world go round
We only wanted to finish the album with the minimum
amount of effort
Which we are now doing very suc-cess-fully

We only wanted to be loved
We only...
Love
We wanted to be accepted by society
We wanted to be accepted
We wanted to be accepted as people

We only wanted to be loved
We only wanted to be loved
Love
We wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved

lâ€™m just gonna go and get a cigarette do you want
one
Yes please
Wont be a second

Okay

Be bland
Be dull
Be boring
Be in love

Only wanted to be loved
Only wanted to be loved
Only wanted to be loved
Only wanted to be loved
Love

Every time I walk up and down the street
I look at people and I think why don't you love me
Why don't you love me
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved

Oh thank you wrong end

I'm in love

We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved

We need love
We need love like the water
Like the air we breathe, luvy
You know what I mean, like where I cum from

We only wanted to be loved
We only wanted to be loved
We only wanted to be loved

Only love can satisfy us
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved
We only wanted to be loved

No one understands us
Nobody cares

We only wanted to be loved

I will show our frustration at society by picking up that
fire extinguisher over there and spraying it at the mic

We only wanted to be loved
We only wanted to be loved

It's blue
Oh no
Oh yes!

We only wanted to be loved

Go on John tickle the old Joanna

We only wanted to be loved
Loved, loveddddd

IF YOU MADE IT THIS FAR, YOU ARE A SAD, SAD CUNT!!
NEARLY AS SAD AS US !!
