Could be wrong, I could be right  
Could be wrong

I could be wrong, I could be right  
I could be black, I could be white  
I could be right, I could be wrong  
I could be white, I could be black

Your time has come your second skin  
The cost so high the gain so low  
Walk through the valley  
The written word is a lie

May the road rise with you  
May the road rise with you  
May the road rise with you  
May the road rise with you

Could be wrong, I could be right  
Could be wrong, I could be right

I could be wrong, I could be right  
I could be black, I could be white  
I could be right, I could be wrong  
I could be black, I could be white

They put a hot wire to my head  
'Cause of the things I did and said  
And made these feelings go away  
Model citizen in every way

May the road rise with you  
May the road rise with you  
May the road rise with you  
May the road rise with you

Anger is an energy  
Anger is an energy  
Anger is an energy  
Anger is an energy

May the road rise with you

May the road rise with you  
May the road rise with you  
May the road rise with you

Anger is an energy  
Anger is an energy  
Anger is an energy  
Anger is an energy

Could be wrong, I could be right  
Could be wrong, I could be right

I could be wrong, I could be right  
I could be black, I could be white  
I could be right, I could be wrong  
I could be black, I could be white

Your time has come your second skin

May the road rise with you  
May the road rise with you  
May the road rise with you
