Think you know the answer?  
Think you got all the problems?  
Well, why not try and solve them?  
Instead of your sitting on them

Solitaire, solitaire

Taking on new projects  
Steadily slipping sideways  
Close your ears to reason  
Your very valued opinion

Solitaire, solitaire

Nothing is getting you nowhere  
Never meaning what you're saying  
Well, now I need decision  
[Incomprehensible]

Solitaire, solitaire

The slightest seems to explode you  
Well, the whole world will implode you  
Solitaire for the lonely fly  
You're not the only one

Solitaire, lonely fly

Can't pull out my heart  
Can't pull out my heart  
Can't pull out my heart

Solitaire, solitaire

Solitaire  
For the lonely fly

Think you know the answer?  
Think you got all the problem?  
Well, why not try and solve them?  
Instead of sitting on them

Taking on new projects  
Steadily slipping sideways  
Close your ears to reason  
Your very valued opinion

Now, nothing is getting you nowhere  
Never meaning what you're saying  
Well, now I need a decision  
[Incomprehensible]

Can't pull out my heart  
Solitaire
