"Over & Over"

Well, what is the pain when the pain won't show
Poor Richard shoutin' out "Go man, go"
Hi, ho, silver-o, take me away
On the arms of sweet dreams I'll never find my way

Well, over and over, the tear that never mends
Over and over, over and over again

Well, Hell yes, baby, Hell no
What does it matter wanda I don't know
Nothing forgiven, nothing forgot
You can tell me it's the truth but I know that it's not

Well, over and over, the tear that never mends
Over and over, over and over again

Well, over and over, the tear that never mends
Over and over, over and over again

Well, I said, over and over, it's the tear that never
mends
Over and over, over and over again

Over and over again, over and over again, over and
over again
