It's in your face  
You cannot be cruel  
It's in your voice  
You are used to dew

So why do you close me out of your past  
So why do you close me out that fast

So why do you hold me tight  
If you don't feel right  
Because you can't be hard

I'm out of here  
And you close your wounds  
No you won't heal wounds  
Because you can't be hard  
I'm out of here

It's true you swore to me  
That you will bring it to light  
That you won't vote for the president
