Do you just tumble  
It's a beggars group  
You can't lose your sorrows  
Just everything is mute  
I will follow you in the past

But this is no lullaby  
This is no lullaby  
Put me to sleep

If you'll just tumble  
Just down your stairs  
You won't lose your sorrows

But nobody, they won't care  
I will follow you everywhere

But this is no lullaby  
This is no lullaby  
Put me to sleep

And if we'll try just not to fall  
Then we won't lose all our sorrows  
Then we we'll lose all our hope
