FOUND OUT ABOUT YOU

Gin Blossoms

All last summer in case you don't recall
I was your and you were mine forget it all
Is there a line that I could write
Sad enough to make you cry
All the lines you wrote to me were lies
The months roll past the love that you struck dead
Things you said and did to me
Seemed to come so easily
The love I thought I'd won you give for free
Whispers at the bus stop
I heard about nights out in the school yard
I found out about you
Rumours follow everywhere you go
Like when you left and I was last to know
You're famous now and there's no doubt
In all the places you hang out
They know your name and know what you're about
Whispers at the bus stop
I heard about nights out in the school yard
I found out about you
Street lights blink on through the car window
You know it's all I think about
I write your name drive past your house
Your boyfriend's over I watch your lights go out

Chorus
