We got this guy blessed with good looks and a phat punk band.

Elevator music is his game tryin to transform his screwed up brain

Oh he's got a double oh

I know this kid thought he was mackin it but we know that he's really wakin it

With his tight diesel shirt goes to the bathroom and gives a good jerk

Oh oh I am the kid from the bus

Oh oh crispy thinks there punker then us

Oh oh said again really sucks

Oh oh I am the kid from the bus

He plays guitar and hits the high notes when he sings and at night he plays with his dinging aling

Writes stupid words is what he does

He calls himself a daddy mack cause that?s what he loves

His bright yellow pants is how he tries to stand out but he?ll always be the kid from the bus no doubt

Oh oh I am the kid from the bus

Oh oh crispy thinks there punker then use

Oh oh said again really sux

Oh oh I am the kid from the bus

Theres this dude thinks hes hardcore but he is really just a punker whore

He can bust a move with his skank hes got a groove

Theres this homie who really loves Green day we'll  
always make him pay

Hey Ross you need to shave lets cruise on your green  
day home page  
Oh oh I am the kid from the bus

Oh oh crispy thinks there punker then us

Oh oh said again really sux

Oh oh I am the kid from the bus
